Summary

I'm a passionate and dedicated Frontend Developer with a strong foundation in MERN Stack Development. I have successfully completed a comprehensive training from Nareshi technologies in Hyderabad, where I honed essential skills for a frontend developer including HTML5, CSS3, Bootstrap, JavaScript, React JS, Express JS, Ajax, jQuery, MongoDB, and Node.js., and passionate about delivering clean, performant code that meets business requirements.

Experience

SEO Analyst

Nov 2023 – June 2024

Toolka enterprise software solution pvt ltd, Hyderabad

- Analyzed website performance using tools like Google Analytics, SEMrush, and Moz, identifying areas for improvement and implementing strategic changes.
- Developed and executed off-page SEO strategies to increase organic search visibility and drive traffic.
- Monitored and reported on key SEO metrics, providing insights and recommendations to senior management.

Dispute Analyst

Dec 2022 – May 2023

Xpress bees Pvt Ltd.

Xpress Bees is a logistics company that provides services to ecommerce companies like Meesho and my work was those who used to buy products from Meesho and experienced theft had to verify whether their packages were stolen or not. After one month, I was given the opportunity to lead a team as a team leader. It was a great opportunity for me.
