KUNAL SAGAR

(UI/UX DEVELOPER)

OBJECTIVE

Creative and dedicated web designer with a passion for delivering innovative and visually appealing digital solutions. Seeking to leverage 2 years of experience in web design to contribute to a dynamic team and create engaging user experiences.

AKS WEBSOFT TECHNOLOGY PVT LTD. [UI/UX DESIGNER]

March 2023 – June 2024

Developed wireframes, prototypes, and visual designs for websites and digital interfaces, ensuring alignment with project objectives and client expectations.

Translated design concepts into functional HTML/CSS layouts, collaborating closely with development teams to ensure seamless integration and optimal performance.

Conducted regular quality assurance checks and browser compatibility testing to identify and resolve design inconsistencies and technical issues.

Implemented SEO best practices and optimized website content for search engine visibility and ranking.

Provided ongoing maintenance and support for existing websites, implementing updates and enhancements as needed to improve usability and performance.

Contributed to the development of internal design standards and processes, promoting consistency and efficiency across projects.

QDEXI TECHNOLOGY PVT LTD. [GRAPHIC DESIGNER]

May 2022- Feb 2023

Designed and produced marketing materials such as brochures, flyers, posters, and banners, maintaining consistency with brand guidelines and project specifications.

Created visually compelling graphics and illustrations for websites, social media platforms, and digital advertising campaigns to engage target audiences and drive brand awareness.
