Projects

Project Name : Herewireless

Company/Organization: Telgoo5 (Vcare)

Project Description:

As a UI developer, I played a pivotal role in the complete design of Herewireless.'s online product sale website, aimed at enhancing user experience and boosting online sales. The project involved design the entire user interface to create a modern and responsive shopping platform.

Technologies/Tools Used: HTML, CSS, Bootstrap, Js, Photoshop, React(Create Admin Panel), PHP

Project Name : Credo

Company/Organization: Telgoo5 (Vcare)

Project Description:

I did a PSD to WordPress conversion project that took an online mobile phone store design in PSD format and converted it into a fully functional WordPress website. The main objective of this project was to set up a user-friendly, responsive and feature-rich online shop to enable the sale of mobile phones all over the world.

PSD to WordPress Conversion: The main responsibility was to convert PSD designs into WordPress themes, which was done through HTML, CSS, and WordPress template files.

Front-end development: HTML, CSS, and JavaScript are used to develop the front-end of a website so that it looks the same on different devices and browsers.

Technologies/Tools Used: HTML, CSS, Bootstrap, Js, PSD to Wordpress,

Project Name : FlashMobile

Company/Organization: Telgoo5 (Vcare)

Project Description:

I did a PSD to WordPress conversion project, converting the design of an online mobile store in PSD format to a fully functional WordPress website. The main goal of this project was to set up a user-friendly, responsive and feature-rich online store to sell cell phones all over the world.

Technologies/Tools Used: HTML, CSS, Bootstrap, Js, PSD to Wordpress, PHP

Project Name : Rivertel

Company/Organization: Tysas [P] Limited

Project Description:

This is an ecommerce website. To build this website, first we created a PSD and shared it with the client, then after getting the client's approval, we converted the PSD to HTML. It's all cross-browser compatibility, Customization and Branding, Responsive Design.
