ABOUT ME

Enthusiastic and dedicated web developer with a strong foundation in front-end technologies and a passion for creating visually appealing and user-centric websites. Graduated with a degree in B.Tech(Computer Science and Engineering) and a solid understanding of HTML & CSS. As a quick learner and a detail-oriented problem solver, I thrive in collaborative environments and am eager to contribute to a dynamic web development team. My strong communication skills, coupled with a genuine passion for web development, drive me to continuously enhance my skills and stay up-to-date with industry trends.

EXPERINCE
