## Python Full Stack Developer

+91-8319078586

@kartik.mungole@gmail.com

Pune, Maharashtra

## SUMMARY

Full-stack developer specializing in Web Development and Back-end Development. Adept at coordinating effectively with development teams and clients to execute complex web development projects. I am passionate about software development and am excited about the opportunity to shape the electronics revolution with my skills.

## PROJECTS

### Task Editor

2023 Pune, Maharashtra

Developed persistent to-do applications with CRUD operations for the track-list of tasks.

- The displayed list of to-dos with HTML list elements, styled to-do list using CSS.
- Implemented to-do crud operations by using JavaScript event listeners and updated UI dynamically by using JavaScript DOM operations.

### Calculator Using Speech Recognition

2023 Pune, Maharashtra

Performing operations using Speech in Python.

- It takes input as speech and a speech recognition module is used to convert speech to text.
- It gives output as speech and a pyttsx3 module is used to convert text to speech.

### Random Password Generator

2023 Pune, Maharashtra

Generates a password by giving the length of the caharacters.

- Random module is used to shuffle the characters.
- String Module is used to convert all characters in string.

### Face Detection Using Python

2023 Pune, Maharashtra

Face Detection in Camera using Python module

- OpenCV module used to open the camera and detect the face.
- Different types of attributes of cv2 like imshow, rectangle, waitkey are used to detect the face.

### Weather App

2023 Pune, Maharashtra

Developed custom Weather search application where users can search weather of any city using HTML, JavaScript, and Bootstrap.

- The Functions, fetch and event listener are used to fetch the weather update and response is displayed in card with the proper weather technical terms.
- API is used to fetch the details of any city resulting proper weather report.

## EDUCATION

### Bachelor of Engineering in Electronics and Instrumentation

Rajiv Gandhi Prodyogiki  
Vishwavidyalaya

2014 - 2018  
Bhopal, Madhya Pradesh

GPA

7.6 / 10

### Master of Technology in Instrumentation

National Institute of Technology

2020 - 2022  
Kurukshetra, Haryana

GPA

8.9 / 10

### Intermediate in Physics, Chemistry, Mathematics

St. Mary's H Secondary School

2013 Jabalpur

Percentage

80 / 100

## SKILLS

Python

Django

SQL

JavaScript

Object-oriented programming

HTML

CSS

Git

Node.js

Linux

Shell Scripting
