## PROFILE SUMMARY

Motivated MCA graduate with a keen interest in software Tester. Strong analytical skills and a collaborative mindset. Eager to contribute to dynamic IT projects and continue learning and growing in the field.

## WORK EXPERIENCE

### DIGIPODIUM

(Jan 2023 to May 2023)

#### Intern

- Proficient in Python programming, applied skills to various project tasks.
- Conducted data analysis using Pandas and NumPy, extracting insights.
- Assisted in developing machine learning models with TensorFlow.
- Actively collaborated with mentors and team members, contributing ideas.
- Completed tasks and projects within designated timelines.
- Maintained a proactive approach to learning and improving Python skills.

## TECHNICAL PROJECTS

### • Automobile Parts Classification System

(Jan 2023 to June 2023)

In this project we developed an automated system for classifying automobile parts based on various parameters such as dimensions, materials, and functionalities. Leveraged advanced machine learning techniques, including Convolutional Neural Networks (CNN), to accurately categorize parts.

### • E-Commerce

(Dec 2020 to May 2021)

In this project a website was designed for purchasing various products online. For purchasing the product, the user will register with username and password. On the website we can buy the products online by adding it to the shopping cart and paying the bill

## ACADEMIC DETAILS

### BABU BANARASI DAS UNIVERSITY

Master of Computer Application

July 2023 | Lucknow

77.61%

### MAHATMA GANDHI KASHI VIDYAPEETH

Bachelor of Computer Application

July 2021 | Varanasi

67.75%

## **SOFT SKILL**

---

- Punctual and Discipline
- Hardworking and Flexible
- Team Work
- Adaptability
- Communication
- Critical Thinking
- Time Management
- Problem Solving

## **TECHNICAL SKILLS**

---

- Test Planning, Test Case Design, and Execution
- Manual Testing
- Test Documentation and Reporting
- Testing Methodologies (e.g., Black Box Functional, Performance)
- Test Management Tools (e.g., JIRA)
- Programming Languages (e.g., Python)
- Agile Development Methodologies

## **CERTIFICATION AND TRAINING**

---

- IBM Developer Skills Network
- Basic Python Certificate, HackerRank

## **PERSONAL DETAILS**

---

- D.O.B: 24/06/2002
- Gender: Female
- Language: English, Hindi
- Address: Noida Sector 44 (U.P)
