

Vijay Laxmi Singh

Web Designer/Developer

Passionate Web Designer with 2.7 years of experience in responsive design, HTML5, WordPress, JavaScript, CSS, Php, drupal, figma, gsap, elementor, webflow and Shopify e-commerce development. Skilled in leveraging social media platforms like Instagram, Facebook, YouTube, Pinterest, and Twitter to enhance digital presence. Driven by hard work, adaptability, and a relentless pursuit of excellence, I strive to push boundaries and achieve exceptional results in every project.

EXPERIENCE

Web Designer/Developer

Jabit Soft Private Limited, Noida, India

October 2023 – current

- **Custom Theme Development:** Created responsive, cross-browser compatible WordPress themes tailored to client needs.
- **Plugin Integration:** Installed, configured, and customized plugins to enhance website functionality.
- **Website Maintenance:** Regularly updated content, plugins, and themes to ensure performance and security.
- **Client Collaboration:** Gathered client requirements, provided design recommendations, and delivered functional websites.
- **SEO Optimization:** Implemented on-page SEO strategies to improve site visibility.

Web Designer/Developer

Rebrand Gurus Noida, India

July 2022 – October 2023

- **Team Collaboration:** Worked with developers, designers, and content creators for cohesive website delivery.
- **Content Management:** Assisted clients with content updates and provided WordPress training.
- **Version Control:** Used Git for version control and collaborated on deployments.
- **Responsive Design:** Developed fully responsive websites for optimal user experience.
