Experience

Brandingwaale Webtech | Faridabad, Web Designer Aug 2022 - Present

- "During my time at Brandingwaale WebTech, I gained valuable hands-on experience in web development, learning to create projects from scratch. I developed a deep understanding of front-end technologies like HTML, CSS, and JavaScript, and honed my problem-solving skills by working on real-world projects.

Skills

- HTML | CSS | Bootstrap | Javascript | Wordpress | Tailwind | React | SEO | Hostinger | Vercel | Github

Education

Sol University, BA (Honors) June 2020 - Mar 2024

- I Completed my Graduation from sol university since 2024.

IICS Indian Institute of Computer Science, Web Design Aug 2020 - May 2022

- "Acquired foundational knowledge in HTML, CSS, and JavaScript through courses at IICS Institute.

Projects

Ninja Rankers <https://ninja-rankers.com/>

- "I collaborated with NinjaRankers, a company specializing in SEO services, to create an engaging and user-friendly website.
- Tools Used: HTML, Bootstrap, CSS, Javascript

Harisons Furnishings

<https://harisonsfurnishings.com/>

- "I worked on the website for Harisons Furnishings, a company specializing in home decor and furnishings. My role included designing an elegant and visually compelling website that reflects the brand's identity and showcases its premium product offerings.
- Tools Used: HTML, Bootstrap, CSS, Javascript

Numismatics Academy

<https://numismaticsacademy.com/>

- "I had the opportunity to design the website for Numismatics Academy (NAC), an innovative edutainment powerhouse dedicated to fostering experiential learning. The website was crafted to reflect NAC's mission of exploring the world through its Experiential Learning Centre (ELC) and Discovery Labs (DL).
- Tools Used: HTML, Bootstrap, CSS, Javascript

Dynamic Displays

<https://dynamicdisplays.co.nz/>

- "I designed the website for Dynamic Displays, a company specializing in creating high-quality indoor and outdoor display solutions.
- Tools Used: React, Tailwind

Vizen Solutions

<https://vizensolutions.com/>

- "I developed the website for Vizen Solutions, a company dedicated to providing innovative and reliable automation solutions for industrial operations. The website design was crafted to reflect their commitment to excellence and their visionary approach to automation.
- Tools Used: HTML, Bootstrap, CSS, Javascript, PHP

Vedant Pain Clinic.com

<https://vedantpainclinic.com/>

- "I designed the website for Vedant Pain Management Clinic, a healthcare provider specializing in comprehensive, patient-centered care for individuals dealing with chronic pain.
- Tools Used: HTML, Bootstrap, CSS, Javascript

RNT Designs

<https://rntdesigns.in/>

- "I designed the website for RnT Designs, a modern architectural and interior design firm based in Faridabad, India, founded in 2020. The website was crafted to highlight their expertise in various disciplines, including commercial and residential design.
- Tools Used: HTML, CSS, Bootstrap, Javascript

Saifi Developers

<https://www.saifidevelopers.com/>

- "I created the website for Saifi Developers, a company that offers comprehensive turnkey solutions for offices, retail outlets, industrial establishments, and RD centers by integrating interior and engineering services.
- Tools Used: HTML, CSS, Bootstrap, Javascript

Cafe103

<https://cafe103.in/>

- I developed the website for Cafe 103, a unique ice hockey-themed cafe located in Shimla, known for its historic natural ice skating rink since 1920.
- Tools Used: HTML, CSS, Bootstrap, Javascript
