

KARTIKEY SINGH

Bank Colony, Khushalpur, UP | +91-8077556075 | kartikeysingh2448@gmail .com

I am a Full Stack Developer skilled in building interactive UIs, developing fast and scalable backend systems, and designing optimized SQL database structures. I handle end-to-end development, ensuring seamless integration between frontend, backend, and data layers for efficient and high-performance web applications.

SKILLS

Language: PHP, JavaScript, C++, SQL, HTML5, CSS3

Framework and Libraries: Laravel, YII, jQuery, Bootstrap5

Others: MSOffice, ChatGPT,

EXPERIENCE

2024 - Present

Jr. Backend Developer | **Janus Koncepts** | New Delhi

- Developed both static and dynamic frontend interfaces, ensuring seamless user experience across multiple web platforms.
- Managed multiple projects simultaneously and consistently delivered high-quality solutions ahead of tight deadlines.
- Integrated various third-party APIs like Google and Razorpay to enhance functionality and performance.

2023-2024

Jr. Backend Developer | **Marine Softech Pvt Ltd** | Moradabad

- Designed websites using HTML and CSS templates, focusing on responsive layouts and clean visual presentation.
- Converted static designs into dynamic websites using JavaScript and PHP for enhanced user interaction and functionality.
- Applied modern web standards to develop visually appealing and user-friendly websites across different devices and browsers.

PROJECTS

Janus Koncepts CMS

- Developed a scalable **backend architecture** for Janus Koncepts CMS, enabling efficient content management and growth.
- Built an interactive **chatbox** and **integrated Google API** for seamless scheduling of **Google Meetings**.
- Created a responsive **web APK app** to extend platform accessibility across mobile and desktop environments.

GK Kedia and CO

- Developed custom web software for Chartered Accountants to streamline financial operations, reporting, and client management.

Digividyapeeth

- Integrated Razorpay payment gateway to enable secure, seamless online transactions for course enrollments and services.

Other Projects

Prime OOH | Shivani Kitchen | Sprintex
